

Coral Sheldon-Hess

coral@sheldon-hess.org | coral.sheldon-hess.org | github.com/csheldonhess

Education:

University of Pittsburgh – Master of Library and Information Science, 2009

Carnegie Mellon University – MS, Electrical and Computer Engineering, 2005

University of Virginia – BS, Electrical & Computer Engineering - *With Highest Distinction*, 2003 Minors: Computer Science, Chinese Language & Culture

Professional Experience:

Product Liaison Engineer, August 2021 - March 2022

Coiled Computing

- Reorganized and streamlined Customer Support Engineering processes and led stakeholders throughout the organization to get agreement on the team's immediate future direction, including hiring priorities.
- Interviewed and assessed candidates for hire.
- Solved problems for and with data science users for a Python/cloud startup.
- Performed exploratory, regression, unit, and end-to-end testing on Coiled product; identified testing issues; and wrote test plans.
- Added functionality to the Coiled API and Coiled Cloud code base (Python).
- Created and edited documentation.

Assistant Professor, Sept 2019 – July 2021

Community College of Allegheny County

- Worked collaboratively with colleagues to develop and assess the curriculum in CIT and DAT, including developing the initial offering of Data Analytics 2 (DAT 202).
- Taught remote/synchronous courses, online/asynchronous courses, and hybrids between the two, with an average student approval score of 4.6+ out of 5.
- Brought community partners (Nine Mile Run Watershed Association, Draw the Lines PA) into the classroom to give students experience with real data analytics projects.
- Maintained Blackboard shells for all courses, in addition to Slack workspaces to support students and build a sense of community during the pandemic.
- Shared course materials on GitHub in support of open educational resource (OER) efforts.
- Awarded a grant to review OERs for use in DAT courses.
- Courses taught:
 - CIT 100 - Comp Fundamentals & Applications
 - CIT 115 - Info Technology Fundamentals
 - CIT 125 - Web Development (HTML5 / CSS3)
 - CIT 145 - Programming in C
 - CIT 215 - Systems Analysis & Design
 - MMC 150 - Interactive Front-End Development (JavaScript + jQuery)
 - DAT 119 - Python 1
 - DAT 201 - Data Analytics 1
 - DAT 202 - Data Analytics 2
 - DAT 204 - R for Analytics
 - SEM 105 - College Seminar

Adjunct Instructor and Reference Librarian, Oct 2017 – Jul 2019

Community College of Allegheny County

- Taught Python 1 (DAT 119), co-developed and team-taught the initial offering of Data Analytics 1 (DAT 201) in Spring 2019.
- Assisted patrons at library's reference and circulation/reserves desks, including performing reference interviews and providing reader advisory services.
- Taught library instruction sessions and created online learning objects in LibGuides.
- Updated MARC records and holdings information in Sirsi WorkFlows.
- Improved WorkFlows reports using OpenRefine; weeded the Reference collection and created a Popular Fiction collection.
- Served as collection developer for Computer Information Technology, Popular Fiction, and popular DVDs.

Librarian and Web Developer, Dec 2014 – Aug 2019

Freelance/Self

- Updated and converted the University of Maryland College of Information Studies course INST 630, Introduction to Programming for the Information Professional (in JavaScript), to online format and taught a section in fall 2016.
- Located books, articles, theses, and conference proceedings; verified authenticity and date of public availability; and wrote declarations attesting to those findings for use in patent litigation.
- Built, maintained, and updated websites, primarily in WordPress.
- Ran workshops and created online training materials about technical topics, "maker" topics, and communication strategies.

Web Services Librarian/Assistant Professor, Oct 2009 – Sept 2014

University of Alaska Anchorage

- Designed, maintained, and improved library websites and web services (LAMP).
- Performed troubleshooting on subscription database access, including OpenURL resolving, EZProxy settings, and discovery layer issues.
- Served on the workgroups that chose the library's discovery layer and the consortium's OPAC.
- Chaired Web Development Team; and proposed, designed, and chaired Social Media Team; served on Assessment Team.
- Created the plan and supporting documentation for development of the library's web presence in a user-centric direction.
- Created a model for thinking about user-centricity of organizations. Both the model and the plan (previous bullet) have been used by user experience librarians and by libraries doing their own planning, internationally.
- Rapidly taught self on, then trained and supported colleagues in the use of web-based technologies.
Served as liaison to/collection developer for School of Engineering.
- Provided in person, phone, and online reference service.
- Installed and customized open-source web applications (e.g. LibStats, Omeka - PHP/MySQL) and led acquisition and implementation of web applications purchased from vendors (e.g. LibCal, LibAnswers), including coordinating policy development around their use.
- Managed multiple content management systems, including MODX, WordPress, LibGuides, and Open Atrium (a constrained form of Drupal).
- Created and edited videos and images for the web (Adobe suite, Camtasia).
- Performed usability testing on websites and vendor-supplied applications.

- Served as Acting Head of Systems in department head's absence (approximately 14 weeks).

Information Assistant, Dec 2008 - Aug 2009

Carnegie Mellon University - Institutional Repository (Field Placement, Spring 2009)

- Utilized SHERPA/RoMEO database and web to research publishers' copyright policies.
- Uploaded documents into Digital Commons institutional repository and assigned Dublin Core metadata.

Information Assistant, Aug 2008 - Aug 2009

Carnegie Mellon University - Engineering & Science Libraries

- Answered reference questions in person and remotely, utilizing engineering and science ejournals, databases, and print resources.
- Processed book donations.
- Created an engineering library blog and assisted colleagues in redesigning sections of the library website.

Summer Library Assistant, Apr 2008 - Aug 2008

Brentwood Public Library

- Answered patrons' reference and circulation questions, provided reader advisory services, and assisted with computers.
- Checked materials into and out of the library, shelved materials, repaired damaged materials, and processed new materials.
- Assisted with adult programming, including an "Intro to Blogging" class.

Senior Consultant, Jun 2006 - Feb 2008

Booz Allen Hamilton

- Supported US DOT's Vehicle Infrastructure Integration (VII, now Intellidrive) program as a wireless systems engineer, software requirements analyst, and project manager.
- Wrote sections of, managed subcontractors' input to, and coordinated/edited 60+ team members' contributions to the VII System Requirements Specifications.
- Refined document creation workflows, increasing documents' accuracy and decreasing creation time significantly.
- Analyzed/edited requirements for VII subsystems and applications, maintaining and updating requirements in Rational Requisite Pro.
- Contributed to several proposal teams, writing a key technical section of a \$93M proposal and writing as well as editing/coordinating authors' contributions to a \$6M proposal.
- Recruited and interviewed candidates for hire.

RF Engineer, Sept 2005 - May 2006

i5 Wireless, LLC

- Led the company's research and development initiatives, designing and testing antennas for use in waveguides within novel in-building wireless installations. Monitored and performed maintenance on existing systems inside government buildings, including the Securities and Exchange Commission and three Library of Congress buildings.
- Provided information about new wireless trends and emerging technologies to management.

- Interfaced with vendors, both in coordinating the setup of the company's new office and in procuring wireless test equipment.

Research Assistant, Jun 2003 - Aug 2005

Carnegie Mellon University - Electrical & Computer Engineering Department

- Performed research as part of the Antenna and Radio Communication (ARC) group and Center for Wireless and Broadband Networking.
- Designed and implemented experiments that created large data sets; analyzed data and created visualizations using MATLAB.
- Provided engineering expertise to Penn DOT's Tunnel Radio project, helping to design and build a system to retransmit AM and FM radio into two of Pittsburgh's tunnels.
- Maintained the ARC's website.

Honors and Awards:

- Scholarship recipient for Microsoft and Udacity Foundations of Machine Learning on Azure course, 2020
- 2017 NASA Datanaut
- Code4Lib 2014 Conference Diversity Scholarship Recipient
- ALA 2012 Emerging Leader, sponsored by the ACRL Science & Technology Section
- Pacific Northwest Library Association "LEADS" Leadership Institute, October 2010
- UCLA student scholarship to attend Electronic Resources & Libraries 2009
- High 5 Award (Booz Allen Hamilton), 2007 - In recognition of dedication to fostering a collaborative community across ITI Home Team 1 through participation in the Communications Focus Group.
- Performance Recognition Award (Booz Allen Hamilton), 2006 - For outstanding support and dedication in developing the subsystem specifications and interface requirements for the Vehicle Infrastructure Integration Project.
- Rodman Scholar (University of Virginia), 2000-2003; Echols Scholar, 1999-2000
- William L. Everitt Student Award for Excellence (2003)
- Eta Kappa Nu - Electrical Engineering Honors Society
- Tau Beta Pi - Engineering Honors Society

Professional Involvement:

- Oceans of Data Community of Practice (2020-2021)
- Code4Lib (2014-present)
 - Conference Documentation Committee (2015-2020)
 - Conference Accessibility Committee (2016-2020)
 - Fiscal Continuity Workgroup (2016-18)
- Code for Pittsburgh (2015-present)
- Pittsburgh Python User Group (2018-present)
- American Library Association (2008-17)
 - ALA Councilor-at-Large (2013-14)
 - New Members Round Table (2008-14)
 - Member Services Director (2011-13)
 - Student and Student Chapter Outreach Committee (2008-10), Chair (2009-10)
 - Web Committee (2009-10), Chair (2013-14)
 - Library Information Technology Association (LITA) (2009-17)

- LITA Local Task Force (2016-17)
- In the Library with the Lead Pipe (open access journal), Tech Lead (2013-15)
- Anchorage Programming Workshop (2013-2015)
 - Co-founder and co-host
 - Teacher/trainer
- Alaska Library Association (2009-14)
 - Anchorage Chapter – President (2011), Past-President (2012-13)
 - New Members Roundtable – Chair (2011-12)
 - AkLA Annual Conference – Technology Coordinator (2010), Website Chair (2014)
 - Social Media Committee (2010-14), Chair (2013-14)
 - Web Team (2012-14)
 - Alaska Library Snapshot Day Committee (2011, 2012)

Conference Presentations and Panels:

- "Command Line Bootcamp," Co-leader, Code4Lib Preconference, 3/7/2016.
- "Level Up Your Coding with Code Club (yes, you can talk about it)," Code4Lib, 2/10/2015.
- "Inside the Notification Service," SHARE 2014 Fall Meeting, 10/13/2014.
- "Open source could save libraries! Maybe!," Open Source Bridge, 6/24/2014.
- "Technology, Librarianship, and Gender: Moving the conversation forward" (full day preconference, co-moderator) – "Codes of Conduct" (mini-session moderator), Code4Lib. 3/24/2014.
- "Battledecks!," (deck builder/MC), Alaska Library Association Annual Conference, 2014.
- "Tune in, Turn on, and Get Social," Panel Member, Alaska Library Association Annual Conference, 3/2/2014.
- "Challenges of Gender Issues in Technology Librarianship," Panel Discussion, ALA Midwinter Meeting, 1/25/2014.
- "Getting buy-in on user centrality," LITA National Forum, 11/10/2013.
- "Anchorage Programming Workshop," Anchorage Mini-Maker Faire, 7/27/2013.
- "Back in the Stacks, Bringing Professional Organization into Professional Life," ACRL New Members Discussion Group Panel Discussion at ALA Midwinter, 1/27/2013.
- "Librarians Build Communities: Advocacy Through Volunteerism," Pacific Northwest Library Association Annual Conference, 8/3/2012.
- "Emerging Leaders Team Seeking States to Host Librarians Build Communities," ALA Advocacy Corner, American Library Association Annual Conference, 6/24/2012.
- "Alaskan Librarians Build Communities," Alaska Library Association Annual Conference – Lightning Talks, 2/25/2012.
- "Social Media Starter Kit," Alaska Library Association Annual Conference, 2/18/2011.
- "Implementing New Tech Tools," DirLead (Alaska Public Library Directors' Leadership Group) Annual Meeting, 10/15/2010.
- "ALA Conference for Students and Introduction to NMRT," Chapter Meeting, Virginia/West Virginia branch of the University of North Texas's Library and Information Sciences Student Association (LISSA), 6/21/10.

Workshops and Training Sessions:

- "Tips for running better classes (and meetings) remotely," CCAC Center for Teaching & Learning Teaching Showcase. 2/26/2021.

- "Building an online community with Slack in the classroom," CCAC Center for Teaching & Learning Collaboration Tools Panel, 10/30/2020.
- "Introduction to GitHub," Western Pennsylvania OER Training Day, 7/11/2019.
- "Getting buy-in on user-centricity." Guest lecture for LIS 861, UW-Madison School of Library and Information Science. 5/5/14.
- "Intro to the Command Line." Anchorage Programming Workshop. 2/19/14.
- "WordPress Basics." Anchorage Programming Workshop. 10/16/13.
- "Technology Training for Part-Time Librarians." UAA/APU Consortium Library. 8/19/13.
- "LibChat Training." Training for Instruction & Reference Department, UAA/APU Consortium Library. 8/6/13.
- "Introduction to GitHub." Anchorage Programming Workshop. 7/31/13.
- "LibCal Training (Using Calendars)." Training for UAA/APU Consortium Library faculty and staff. 5/23/13, 5/28/13, and 6/11/13.
- "Web Fundamentals." Anchorage Programming Workshop. 5/22/13.
- "Twenty-Minute Training: Blogging Best Practices." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 4/9/13.
- "Using QuickSearch for Library Research." UAA Faculty ETech Fair. 2/15/13
- "LibAnswers Policies & How-to." Training for Instruction & Reference Department, UAA/APU Consortium Library. 11/27/12.
- "LibCal Training (Moderating Room Booking)." Training for Circulation staff, UAA/APU Consortium Library. 11/8/12 and 11/9/12.
- "Twenty-Minute Training: LibAnswers QuerySpy: Answering Questions Our Users Wanted to Ask." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 11/6/12.
- "Twenty-Minute Training: LibAnswers." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 8/28/12.
- "Using LibAnswers." Training for Instruction & Reference Department, UAA/APU Consortium Library. 8/14/2012.
- "Adding FAQs to the LibAnswers Knowledge Base." Training for Instruction & Reference Department, UAA/APU Consortium Library. 8/7/2012.
- "Writing to the Reference Blog." Training for Instruction & Reference Department, UAA/APU Consortium Library. 7/31/2012.
- "Using LibCal Room Booking." Training for Circulation staff, UAA/APU Consortium Library. 7/9/2012 and 7/13/2012.
- "Google+." Faculty ETech Fair, presented by UAA ELearning Working Group. 2/17/12.
- "Twenty-Minute Training: Google Plus." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 2/14/2012.
- "LibGuides Open Work Session." Training for UAA/APU Consortium Library faculty and staff. 12/14/11, 1/11/12, 7/16/13, 7/30/13, 8/12/13, 8/15/13, 8/21/13, 8/23/13.
- "Twenty-Minute Training: RSS and Google Reader." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 7/26/2011.
- "Twenty-Minute Training: Facebook Privacy." UAA/APU Consortium Library's Library, Reference, and Information Technology Training Series. 10/26/2010.
- "Twitter in the Classroom," UAA CAFE Cloud Computing in the Classroom Workshop. 3/26/2010.

Faculty Service:

Community College of Allegheny County

- College Council Curriculum Subcommittee Member (2021)
- Search committees:
 - CIT Cybersecurity Instructor (2021)
 - Business & IT Dean (2021)
 - Business & IT Associate Dean (2021)
- Strategic Plan contributor: Technology Scan, Strategic Opportunities and Threats (2021)
- Achieving the Dream Steering Committee (2019-21)
- Data Analytics, MMC, and CIT Advisory Committees (2019-present)
- Open Educational Resources Workgroup (2018-present)
- Open House – representing CIT, DAT, and MMC (4/3/2019, 7/17/2019)

University of Alaska Anchorage

- Faculty Senator (2013-14)
 - Academic Computing, Distance Learning, Information Technology and eLearning Committee
- eLearning Working Group (2009-14), subcommittees:
 - UA Google Apps
 - Social Media in Education
 - Mobile Use Survey (Chair, 2013)
 - Cloud Computing
 - SafeAssign
 - Blackboard Shell
 - Sharepoint
- Engineering Librarian Search Committee (Spring & Summer 2013)
- Banned Books Week Planning Committee Member (2012)
- Staff Development Committee (2010-12)
- English Librarian Search Committee (Summer 2011)
- Electronic Resources Librarian Search Committee (Spring & Summer 2011)

Community

- Sharing open educational resources on GitHub (2019-21)
- Team NPF Cycle participant, virtual (2020)
- Alaska Hackathon participant, organizing committee member (2013-14)
- American Diabetes Association Tour de Cure - Team Captain (2011-13)
- Anchorage Citywide Cleanup - organizer, AkLA-Anchorage (2011, 2012, 2013)

Professional Development:

- National Workshop on Data Science Education (virtual, 6/22-6/26/2020, 6/14-6/18/2021)
- SAS Introduction to Data Science Statistical Methods (virtual, 6/8-6/9/2021)
- csv,conf,v5 & v6 (virtual, 5/13-5/14/2020, 5/4-5/5/2021)
- PyCon Education Summit and Trainers Summit (virtual, 4/23-4/24/2020, 5/12-5/13/2021)
- Three Rivers Educational Technology Conference (virtual, 1/18/2021)

- Microsoft and Udacity Foundations of Machine Learning on Azure course (self-paced, summer 2020)
- Intro Sec Con (virtual, 4/25/2020)
- User-Friendly, Comprehensive SAS Statistical Applications: Regression Models (12/10/2019)
- Western Pennsylvania OER Training Day (7/11/2019)
- Pittsburgh TechFest (2016, 2019)
- Intro to Python for Computer Science and Data Science: Teaching Students to Program with AI, Big Data, and the Cloud, Pearson Webinar (4/4/2019)
- Engaging Programming Students with Interactives, Pearson Webinar (3/25/2019)
- Code4Lib Midwest Regional Conference (2018)
- Metadata Analysis Workshop, Digital Library Federation (10/26/2017)
- NASA Datanauts (2017)
- Abstractions (2016)
- Google I/O (5/18/2016)
- Code4Lib Conference (2014, 2015, 2016)
- The Data Scientist's Toolbox, Johns Hopkins University (2015)
- Open Source Bridge (2014)
- AdaCamp (2014)
- Library Information Technology Association Forum (2013)
- Developing a Web Analytics Strategy for Your Library: Using Data to Measure Success - ALA LITA Preconference (1/25/13)
- Getting to Wow: Customer Service Training (1/9/13)
- Consortium Library Reference Training Series (2009-14)
- UAA Faculty Technology Center TechCamp: InDesign (8/10/12)
- Pacific Northwest Library Association Annual Conference (2012)
- Alaska Library Association Annual Conference (2009-14)
- American Library Association Annual Conference (2008-12)
- American Library Association Midwinter Conference (2010, 2012-14)
- ALA Emerging Leaders program (2012)
- How to Deliver Great Customer Service (4/19/12)
- LITA Preconference: User Experience Design for Websites (6/24/11)
- ASIST&T Introduction to Information Architecture Webinar (1/14/11)
- CIO A152 - Digital Imaging Concepts & Applications: Photoshop (UAA, spring 2011)
- Trendy Topics: Social Media: Twitter, Facebook, and More, an Online Conference (arranged for colleagues and attended) (4/20/11)
- PNLA Leads Leadership Institute (10/2010)
